### **DECISION ON JOINT STIPULATION<sup>1</sup>**

On July 13, 2020, Kyle Mattox filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that he suffered Guillain-Barre Syndrome (“GBS”) caused by an influenza (“flu”) vaccine received on October 15, 2019. Petition at 1; Stipulation, filed December 1, 2022, at ¶¶ 2-4. Petitioner further alleges that the vaccine was administered in the United States, he experienced residual effects of his alleged injury for more than six months, and there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition. Petition at ¶¶ 3, 26, 29, 30; Stipulation at ¶¶ 3-5. The Stipulation states:

Respondent initially determined that petitioner suffered GBS within the Table time period, and the Chief Special Master entered an entitlement

decision for petitioner on February 17, 2021. On the basis of subsequently submitted records, respondent now denies that petitioner sustained a GBS Table injury; denies that the flu vaccine caused his alleged injury or any other injury or condition; and denies that his current condition is a sequelae of a vaccine-related injury. On August 2, 2022, the Chief Special Master ordered respondent to move for relief from the Ruling on Entitlement unless the parties were able to reach a settlement agreement.

Stipulation at ¶ 6.

Nevertheless, on December 1, 2022, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **I award** the following compensation:

**STIPULATION**

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of an influenza (“flu”) vaccine, which is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).
2. Petitioner received a flu immunization on October 15, 2019.
3. The vaccine was administered within the United States.
4. Petitioner alleges that he suffered from a Table injury, Guillain Barre Syndrome (“GBS”) within the time period set forth in the Table. He further alleges that he has experienced residual effects of his alleged injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.

6. Respondent initially determined that petitioner suffered GBS within the Table time period, and the Chief Special Master entered an entitlement decision for petitioner on February 17, 2021. On the basis of subsequently submitted records, respondent now denies that petitioner sustained a GBS Table injury; denies that the flu vaccine caused his alleged injury or any other injury or condition; and denies that his current condition is a sequelae of a vaccine-related injury. On August 2, 2022, the Chief Special Master ordered respondent to move for relief from the Ruling on Entitlement unless the parties were able to reach a settlement agreement.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- A. A lump sum of **\$233,811.87**, in the form of a check payable to petitioner; and
- B. A lump sum of **\$12,215.52**,<sup>1</sup> representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of Indiana, in the form of a check payable jointly to petitioner and The Rawlings Company:

The Rawlings Company  
ATTN: Robin M. Meed  
Reference No.: 100842485  
P.O. Box 2000  
La Grange, KY 40031-2000

---

<sup>1</sup> This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Indiana may have against any individual as a result of any Medicaid payments made to or on behalf of petitioner as a result of his alleged vaccine-related injury suffered, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

- C. A lump sum of **\$53,972.61**,<sup>2</sup> representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of Kentucky, in the form of a check payable jointly to petitioner and Claims Recovery Services, Federal Tax Identification Number 41-1858498, File Number SN25512807:

Claims Recovery Services  
L-3994  
Columbus, OH 43260-3994  
Tax ID: 41-1858498  
File No.: SN25512807

Petitioner agrees to endorse these checks to The Rawlings Company and Claims Recovery Services, respectively. These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa- 15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

---

<sup>2</sup> This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Kentucky may have against any individual as a result of any Medicaid payments made to or on behalf of petitioner as a result of his alleged vaccine-related injury, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

11. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, flu vaccinations administered on October 15, 2019, as alleged by petitioner in a petition for vaccine compensation filed on or about July 13, 2020, in the United States Court of Federal Claims as petition No. 20-844V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision on damages in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in

conformity with a decision on damages that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that petitioner sustained a GBS Table injury; that the flu vaccine caused any other injury; or that his current condition is a sequelae of a vaccine-related injury.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION
